

REMARKS

Claims 11-16 and 18-20 are pending.

Claim 12 is amended in order to improve readability.

Support for the amendment to Claim 12 changing "comprises" to read "further comprises" is found on page 13 and throughout the originally filed disclosure.

No new matter is believed to be added upon entry of the amendment.

Upon entry of the amendment, Claims 11-16 and 18-20 will be active.

Applicants thank Examiner Yoon for indicating that Claims 11, 14, 18, and 20 are allowed. Applicants also thank Examiner Yoon for providing the helpful suggestions in order to overcome the outstanding rejection.

The rejection of Claims 12-13, 15-16, and 19 under 35 U.S.C. § 112, second paragraph, is believed to be obviated by amendment.

Applicants have amended Claim 12 in accordance with the Examiner's suggestions.

Applicants kindly request that the Examiner withdraw this rejection.

In view of the amendments to the claims and the preceding remarks, Applicants believe that the present application is now in a condition for allowance. Should the Examiner have any questions concerning the present response and believe that a discussion would be helpful in advancing this application toward allowance, he is encouraged to contact Applicants' undersigned representative at the below-listed telephone number.

Respectfully submitted,
